

## ONGOING ROADWAY CONSTRUCTION ACTIVITIES

Monday, April 3 through Friday, April 7, 2023

- Activities taking place overnight beginning on Wednesday, April 5 include:
- From 10 p.m. to 1 a.m. flaggers and traffic control officers will be in place along eastbound NE 5 St/Port Blvd to assist with the flow of traffic
- From 1 a.m. to 4 a.m. flaggers and traffic control officers will be in place along westbound NE 6 St/Port Blvd to assist with the flow of traffic
- These temporary traffic flow interruptions will allow the contractor to perform concrete roadway pavement grooving
- Grooving is highly effective in preventing hydroplaning and improving wet weather pavement friction

### Lane and Ramp Closure

- The entrance ramp from Florida Way to Port Blvd remains temporarily closed
- Motorists are being detoured to the S American Way entrance ramp to access Port Blvd
- Access to and from PortMiami along Port Blvd remains open
